We are limiting places at Summer school due to adult/child ratios. To book your place we require payment **IN FULL**. When taking the children on trips we will do full risk assessments beforehand and will carry a first aid kit with us at all times. Children will be provided with a high vis jacket with our contact details on to wear whenever we are out in public.

When we are eating out there will always be a vegetarian option available. Please let us know if your child has any food allergies when booking your place. We will provide the children with juice/water throughout the day but they are welcome to bring their own drinks and snacks on the days where a packed lunch isn't required.
